Flash (DES246), Spring 2011

Package Design (DES244), Spring 2011

Web Design (DES241), Summer 2011

Web Page Design Principles (APP242), Summer 2011

Illustrator Basics (DES103), Fall 2011

Web Page Design Principles (App242), Fall 2011

BOB WADHOLM

2008-Present

IU College of Arts and Sciences

Bloomington, Indiana

Web Developer/Designer

- Lead designer, developer and information architect of the [College of Arts and Sciences' Website](#) and the following Indiana University department Websites: [Asian American Studies Program](#), the [English Department](#), [Creative Writing](#), [Human Biology](#), [Victorian Studies](#), [Jewish Studies Program](#), and the [Theatre & Drama Department](#) (including a dynamic [mobile Web app](#)).
- Ensured the use of SEO best practices, Section 508 compliancy (accessibility), and followed all University Visual Guidelines in the creation of Web media.
- Trained departmental Web personnel, and collaborated with faculty and departmental chairpersons on the design, development, and implementation of academic Web sites.

2007-Present

Freelance Web Design Consultant

Bloomington, Indiana

Web Design Consultant

- Created and maintain several open-source applications directed at open content sharing:
 - The Little Library** – <http://thelittlelibrary.com> – A CouchDB mobile/desktop Web (native on Macs and PCs) app that allows users to store and share open-licensed content across computers and digital devices, offline and in the cloud.
 - FlipOpen** – <http://www.gracetoread.com/> – A PHP/JQuery Web app aimed at increasing literacy through the use of Public Domain books and integrated audio.
 - MobileJWiki** – <http://www.bob.wadholtm.com/mobile.php> – A PHP/JQueryMobile Web app that creates a mobile version of a MediaWiki site and stores it for later offline use.
- Designed and developed (hand-coded) Websites for the IU African American Arts Institute, Mental Health America of Monroe County, the Institute for the Study of Contemporary Antisemitism, MP Publishing USA, the IU Liberal Arts and Management Program, Kuna Life Church, London Event Hire, the Bloomington Bone and Joint Clinic & Minimally Invasive Surgery Center, T-Square Millwrights, Jennifer Titus Photography, and the IU Sage Collection.
- Assisted in the design, development and/or technical consultation for HTML, MediaWiki, Drupal, & WordPress sites for Connor Wealth Management, New America Media, Door43, Yellowwood Solutions, Upland Beer, Snoutstik, the IU Economics Department, The Gold Report, The Energy Report, The Oakland Standard, the Oakland Museum of California, Mayacamas, Interactive TV Today, The TV of Tomorrow Show (including a mobile site), GDS2, El Tiempo New Orleans, Wedding Fish & Chip Catering, and Elaine Bell Catering.
- Worked as design consultant, then hired as lead designer for two separate start-up educationally-related social networking platforms (CultureU in 2009 & CommuniTeach in 2011).

2007-2009

Indiana University Alumni Association

Bloomington, Indiana

Web Production Assistant/Lead Designer

- Lead designer in a team of 5 on the IUAA Web site (> 12,000 pages, >10,000 page views per day).

Bob Wadholm

www.bob.wadholm.com

rwadholm@indiana.edu

(812) 336-3257

- Developed all Web content for the *Indiana Alumni Magazine*, the IUAA Strategic Plan, educational podcasts for Mini University, and Flash applications for two years for Hoosier Travelers and IU Homecoming Web sites.
- Project manager and head developer in the creation of a dynamic XML-driven Flash application, and two Flash holiday E-cards (in 2008 & 2009) sent to over 200,000 IU Alumni.
- Project manager, instructional designer, and head designer in the creation and implementation of Flash-based IUAA online tutorials.
- Assisted in the design and development of a social media portal, and in the planning, maintenance, and instruction in the use of a virtual space in Second Life.
- Worked extensively with all Adobe CS Web development and design products, hand coded all HTML, XML, CSS, PHP, JavaScript, and ActionScript, and managed all Section 508 compliancy.
- Assisted in interviewing and hiring new Web designers and developers and was a member of the hiring committee for filling the position of Web/E-Communications Coordinator at the IUAA.

2005-2007

South Central Community Action Program

Bloomington, Indiana

Webmaster

- Developed the Bloomington Head Start Web site using XHTML and CSS.
